BIKE FASHION "Peppa Pig" Children HelmetThe "Peppa Pig" bicycle helmet from BIKE FASHION not only looks cool, but also ensures greater safety when cycling. Thanks to the patented Quicksafe, the helmets can be easily and precisely adjusted to the individual head shape. The five large openings with mesh inserts allow good ventilation of the head. The mesh inserts prevent bees or other insects from getting through the openings and getting lost under the Helmet. Thanks to the quick-stop system, the strap can be adjusted quickly and does not slip, so that it is always comfortably tight. The double LED flashing light increases safety even more and ensures that the child is seen at an early stage - in all possible visibility conditions.
