

VICTORIA Electric folding bike "SCALYO 1" Mod. 23

unisex, 20", speed green, 5-speed SHIMANO "Nexus" freewheel, 46 cm

Price: €2,480.00

The SCALYO 1 is the best solution for all those who commute to the station by bike and want to take their bike with them comfortably on the train. Or for those who spend time on a campsite and want to use a maneuverable bike. Or for all those who simply want a foldable e-bike with compact dimensions and full-fledged equipment. Because when folded, the e-bike - including pedals and Handlepost - measures an extremely compact 88 x 77 x 38 cm (W/H/D) and can therefore be stowed away at home to save space. But when it's time to hit the road, a 400 Wh Battery supplies the Bosch Active Line Plus engine with energy. This in turn ensures harmonious drives and a natural riding experience. The SCALYO 1 is equipped with Shimano 5-speed Nexus hub gears (optionally with neutral or coaster brake). The hydraulic Disc Brakes ensure the right deceleration, which have plenty of bite even in wet conditions. The bright 50 lux Front Light and the system Carrier make the e-bike completely suitable for commuting. As the icing on the cake, the rear lights are beautifully integrated into the Carrier and ensure increased visibility in traffic.

Basic Data

Supplier Article Number:	KHAF23100
EAN	4251971111721
MSRP:	€3,399.00
Fedas-Code	157025
WEEE registration number	DE92509320
Bidex-Code	129010
SB-Article	No
DST-Code	1H01
Brand/Supplier	VICTORIA
Unit of measure:	PIECE
Weight	23.4 kg

Technical Data

Access height	380 mm
