

## VICTORIA Trekking bike "TREQANA 6" Mod. 23

wave, 28", supersonic silver matt / black, 2x9-speed SHIMANO "Acera", 56 cm / L

**Price: €850.00**

The "TREQANA 6" from VICTORIA has everything you need for everyday cycling and touring. With 18 gears, it has a broad portfolio for both city rides and routes with Brackets. The 47 (!) mm wide Urban Contact tires from Continental provide cushioning comfort. The necessary safety is provided by the hydraulic Disc Brakes, which can always be precisely controlled, but can also apply a powerful grip when the going gets tough. When you return home in the evening after an extensive tour, the daylight-bright 50 lux Front Light illuminates the way safely. The rear light impresses with its parking light function, which means that the LEDs continue to light up for a while when you come to a halt at a dark intersection.
