

CONTEC Pedal "Twoface"

matt black, sandblasted

RRP €79.95

MTB pedal "Twoface" The "Twoface" from CONTEC is the ideal pedal for biking on rooty and twisty trails. With its CNC machined aluminum body and its extra flat profile, it gives you the necessary ground clearance for sharp turns. The CrMo pins provide the right grip, so you always have a secure footing. The individual pins can also be replaced if they should ever be damaged. Wetness, dirt and grime can not harm the pedal. The sealed industrial bearing lets influences from the outside neither pure nor oil or grease out. The maintenance effort is therefore significantly low and the driving pleasure is nothing in the way.

Basic Data

Supplier Article Number:	VP-018
EAN	4251971115422
MSRP:	€79.95
Bidex-Code	202310
SB-Article	Yes
DST-Code	2N02
Fedas-Code	160374
Brand/Supplier	CONTEC
Unit of measure:	PAIR
Weight	0.394 kg

Technical Data

Bearing type	sealed bearing
Design	freeride/downhill
Frame material	aluminium
Housing material	aluminium
Main colour	black
Thread	9/16
Variant	Article
