

CONTEC Combination Cabel Lock "SLoc"

black

RRP €25.95

Solid combination lock for every dayThe "SLoc" from CONTEC is a cable lock with combination that protects your bike efficiently from thieves while you do your shopping at the supermarket. With a silicone cover, the lock is weatherproof and UV-resistant, so it can be used every day in wind and weather. It also protects the frame from scratches. Thanks to its length of 50cm, you can easily attach your bike to bike racks. It has 4-point freely settable number combination. The touch-proof locking system increases the security even more. With a net weight of 238g, the "SLoc" is as light as a feather and can also be carried in a backpack. Security level 4/10.
