

## CONWAY Electric trekking bike "Cairon T 5.0" Mod. 23

diamond, 28", shadowgrey metallic matt / bronze metallic, 12-speed SRAM "SX", 57 cm / XXL

**RRP €4,299.95**

Balanced touring pedelecThe "Cairon T 5.0" is a reliable companion on all routes, whether for everyday use or long-distance touring. CONWAY has given the aluminum frame a fresh overhaul - the fourth BOSCH engine generation of the "Performance CX" variant is now new on the "Cairon T 5.0" and is installed on the bottom bracket for balanced handling. Thanks to the large BOSCH "PowerTube" Battery with a full 750 Wh and the 11-speed SHIMANO "Deore" derailleur gears, the tour can easily be extended into the evening hours and go higher. And with the powerful TEKRO hydraulic Disc Brakes, you can also ride long downhill or spontaneously to a standstill. The wide "Contact Urban" Tires from CONTINENTAL, the Suspension Fork with 80 mm travel and the sturdy Carrier are further indications of the long-distance orientation. The "Cairon T 5.0" is completely suitable for everyday use with the bright 80 lux CONTEC LED Front Light, the frame locks and the Fenders. Of course, the "PowerTube" battery, which is completely integrated into the down tube, and the engine in the bottom bracket area, which blends into the restrained frame design, play a key role in the bike's integration. Everything from a single source, so to speak, on this reliable touring pedelec with a high level of operating and riding comfort and a balanced riding style.

### Basic Data

Supplier Article Number:	BK23HA2000
EAN	4251971120945
MSRP:	€4,299.95
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	CONWAY
Unit of measure:	PIECE
Weight	27.8 kg

### Technical Data

Battery capacity	750.0 Wh
