

CONWAY Electric trekking bike "Cairon T 5.0" Mod. 23

trapeze, 28", shadowgrey metallic matt / bronze metallic, 12-speed SRAM "SX", 49 cm / L

Price: €3,110.00

Balanced touring pedelecThe "Cairon T 5.0" is a reliable companion on all routes, whether for everyday use or long-distance touring. CONWAY has given the aluminum frame a fresh overhaul - the fourth BOSCH engine generation of the "Performance CX" variant is now new on the "Cairon T 5.0" and is installed on the bottom bracket for balanced handling. Thanks to the large BOSCH "PowerTube" Battery with a full 750 Wh and the 11-speed SHIMANO "Deore" derailleur gears, the tour can easily be extended into the evening hours and go higher. And with the powerful TEKRO hydraulic Disc Brakes, you can also ride long downhill or spontaneously to a standstill. The wide "Contact Urban" Tires from CONTINENTAL, the Suspension Fork with 80 mm travel and the sturdy Carrier are further indications of the long-distance orientation. The "Cairon T 5.0" is completely suitable for everyday use with the bright 80 lux CONTEC LED Front Light, the frame locks and the Fenders. Of course, the "PowerTube" battery, which is completely integrated into the down tube, and the engine in the bottom bracket area, which blends into the restrained frame design, play a key role in the bike's integration. Everything from a single source, so to speak, on this reliable touring pedelec with a high level of operating and riding comfort and a balanced riding style.

Basic Data

Supplier Article Number:	BK23HA2030
EAN	4251971120976
MSRP:	€4,299.95
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	CONWAY
Unit of measure:	PIECE
Weight	27.8 kg

Technical Data

Battery capacity	750.0 Wh
Bosch Smart System	yes
Brake system	hydraulic disc brake
Chainstay	455 mm
Colour designation	shadowgrey metallic matt / bronze metallic
Drive	chain

Drive system	BOSCH Performance Line CX
Drive version	middle motor
E-bike	yes
Engine power	250 W
Features	chain guard , electronic sliding aid , fender , frame lock , suspension fork , suspension seatpost
Frame height	49 cm
Frame shape	trapeze
Frame size	L
Gears	12-speed
Gender	ladies
Main colour	grey
Material 1	aluminium
Model series	Cairon
Permissible system weight	130 kg
Reach	445 mm
Seat angle	74.5 °
Seat tube	490 mm
Secondary colour	gold
Shifting name	12-Gang SRAM "SX"
Shifting type	derailleur shifting
Stack	658 mm
Steering tube	130 mm
Steering tube angle	67.0 °
Stem length	65.0 mm
Support	up to 25km/h
Toptube	620 mm
Transmission	1x 12-speed
Travel	100 mm
Type	trekking bike
Wheel distance	1197 mm
Wheel size	28 "
