

CONWAY Electric SUV "Cairon C 2.0 625" Mod. 23

diamond, 27,5", darkpetrol metallic / red, 9-speed TEKTRONIC "M350", 41 cm / S

RRP €3,499.95

Whether you're touring through the countryside or across country, the "Cairon C 2.0 625" E-SUV bike is your companion. Our developers have recently given the sporty trekking bike a digital update. With the Bosch Smart System, the new "Cairon C 2.0 625" is fully networked and all drive components can communicate with each other. The 4th generation "Performance CX" provides a welcome tailwind. The Bosch "PowerTube" Battery is fully integrated in the down tube and supplies the sporty "Performance CX" mid-motor with plenty of energy - its capacity is 625 Wh. On hilly terrain, the Tektro derailleur system offers a solid range of gears. When riding downhill at speed, the hydraulic Disc Brakes respond reliably. They can be finely dosed, but can also be firmly applied. Schwalbe's "Smart Sam" shines with its all-round properties, which it can put to the test on varying terrain. With a width of 57 mm, it provides additional damping on bumpy trails, while the 120 mm Suspension Fork significantly increases riding comfort. The e-bike only becomes roadworthy with the right all-round equipment. This includes the Contec LED lighting system, which illuminates the way home with a solid 50 lux at the front. Fenders and a Carrier make the "Cairon C 2.0 625" fit for short errands through the city or for use as a commuter.

Basic Data

Supplier Article Number:	BK23HA0691
EAN	4251971103917
MSRP:	€3,499.95
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	CONWAY
Unit of measure:	PIECE
Weight	26.5 kg

Technical Data

Battery capacity	625.0 Wh
Bosch Smart System	yes
Brake system	hydraulic disc brake
Chainstay	440 mm
Child Seat Approval	no
Colour designation	darkpetrol metallic / red

Drive	chain
Drive system	BOSCH Performance Line CX
Drive version	middle motor
E-bike	yes
Engine power	250 W
Features	electronic sliding aid , fender , suspension fork
Frame height	41 cm
Frame shape	diamond
Frame size	S
Gears	9-speed
Gender	gents
Main colour	blue
Material 1	aluminium
Model range	Cairon
Permissible system weight	130 kg
Reach	401 mm
Seat angle	74.5 °
Seat tube	410 mm
Secondary colour	red
Shifting name	9-Gang TEKRO "M350"
Shifting type	derailleur shifting
Stack	619 mm
Steering tube	130 mm
Steering tube angle	67.0 °
Stem length	65.0 mm
Support	up to 25km/h
Toptube	575 mm
Trailer Approval	no
Transmission	1x 9-speed
Travel	120 mm
Type	SUV
Wheel distance	1135 mm
Wheel size	27,5 "
