

CONTEC Socks "Use.Support"

size 43-46

Price: €7.50

Soft & breathable Unpleasant odors can arise from sweat - who does not know it? The CONTEC "Use.Support" socks are woven from a polyamide fiber that intervenes here. "Q-Skin" is the name of the technology, in which the silver ions in the fiber react with sweat and thus reduce bacteria as well as odors. The half-high socks are breathable and feel soft on the skin. They are washable up to 30°C.
