

## melon Helmet "All Stars"

closed eyes matt, size M-L (52-58cm)

**RRP €79.95**

The MELON "All Stars" Helmet not only stands for safety, but also for a beautiful look. The Helmet is manufactured using innovative in-mold technology - an injection molding process that makes the material more resistant and robust. This also saves up to 30 percent in weight compared to other helmets. The Fidlock magnets and built-in Coolmax padding ensure a perfect fit. You can wash or replace the Coolmax padding at any time. Another highlight is the Vista Visor, which protects against bright sun and glare with UV 400 protection.
