

QiO Trailer Coupling "Bob"

for QiO EINS / EINS+

Price: €74.95

You would like to take children or a large dog in a trailer? Or rather transport heavier loads or groceries home? The trailer hitch "Bob" can be attached to the rear stay of your EINS or EINS+ model with an adapter specially designed for QiO. "Bob" is therefore compatible with all trailers with Weber drawbar connection, the adapter ensures an optimal height of the drawbar and thus a horizontal position of the trailer, corresponding Weber drawbar connections for different trailer models please note separately if required. With a towing capacity of up to 60 kg, all transport issues in everyday life are thus solved.
