

CONTEC Cassette "Grad.HT"

self-service package, 11-13-15-18-21-24-28-32 teeth, 306g

Price: €24.99

The performance of your cassette is essential for the quality of your riding experience. That is why we make no compromises in our Grad.HT cassettes in terms of function and durability: The sprockets made of particularly tensile High Tensile steel are reinforced in the HT (= high torque) variant specifically for the high torques of e-bike mid-motors. Thus, our cassettes offer increased durability compared to conventional sprocket sets. You benefit from this, as it offers you higher mileage (and therefore longer maintenance intervals) as well as superior shifting performance for longer. Our Grad.HT cassettes have special climbing aids for the chain, which make each of your gear changes faster and smoother, so you do not have to think about shifting and can fully concentrate on riding. This cassette is suitable for 8-speed gears and has 11-32 teeth.

Basic Data

Supplier Article Number:	GMX8-3
EAN	4251971126589
MSRP:	€49.95
SB-Article	Yes
DST-Code	2R04
Bidex-Code	202060
Fedas-Code	160365
Brand/Supplier	CONTEC
Unit of measure:	PIECE
Weight	0.299 kg

Technical Data

Amount of teeth	11 , 13 , 15 , 18 , 21 , 24 , 28 , 32
Freewheel body	HG-M, MTB
Large sprocket	32 teeth
Main colour	black
Mount	cassette
Small sprocket	11 teeth
Sprocket changeable	partly
System compatibility	8-speed
