

CONTEC Cassette "Grad"

11-13-15-17-19-21-24-28-32 teeth, silver / black, 328g

Price: €14.99

Enjoy better ride quality for longer with our Grad cassettes. There are no compromises on the function and durability of our cassettes, thanks to a mix of material for weight and wear-optimisation: While the largest and heaviest sprockets are made of aluminum to save weight, the smaller sprockets are made of high tensile steel to better withstand the larger torques, which loads on fewer teeth. Thus, our cassettes offer increased durability compared to conventional sprocket sets. You benefit from this, as it offers you higher mileage (and therefore longer maintenance intervals) as well as superior shifting performance for longer. Our Grad cassettes have special climbing aids for the chain, which make each of your gear changes faster and smoother, so you do not have to think about shifting and can fully concentrate on riding. This cassette is suitable for 9-speed gears and has 11-32 teeth.

Basic Data

Supplier Article Number:	GM9-1
EAN	4251971126718
MSRP:	€29.95
SB-Article	Yes
DST-Code	2R04
Bidex-Code	202060
Fedas-Code	160365
Brand/Supplier	CONTEC
Unit of measure:	PIECE
Weight	0.318 kg

Technical Data

Amount of teeth	11 , 13 , 15 , 17 , 19 , 21 , 24 , 28 , 32
Freewheel body	HG-M, MTB
Large sprocket	32 teeth
Main colour	silver
Mount	cassette
Secondary colour	black
Small sprocket	11 teeth
Sprocket changeable	partly

System compatibility

9-speed
