

QiO Smartphone Bracket "Smartphone Mount"

black

Price: €17.12

The smartphone always in view: With the smartphone holder "Smartphone Mount" you can mount your phone in a waterproof protective case directly on the handlebar. This is especially practical if you want to use it for navigation. This way, you can be guided through nature in a relaxed manner and fully engage with the surroundings. The robust mount consists of a plastic clip that you can easily attach to the handlebar. The protective cover is then placed on the holder using Velcro. By the way: Your smartphone can even be operated through the protective cover.
