

CONTEC Multifunction tool "TFP-Shark"

black

Price: €14.99

A multitool for everything around the rotor: With the CONTEC TFP Shark you hold more than a simple wear indicator for brake discs in your hand. In addition to measuring the wear limits for rotors and pads, this tool also has a lockring wrench, a brake disc straightening tool to straighten bent discs as well as a brake piston pusher and a key extension for 5mm hexagon socket for more leverage.
