

CONTEC Press tool "TFP-Insert"

silver

RRP: €59.95

This tool is an absolute must for professional work on hydraulic lines: With the TFP insert press-in tool, both the line nipples (pins) and the union nuts or banjos can be pressed cleanly into the ends of the hydraulic lines. The lines are locked in the tool via the manually operated clamping device and the pins or banjos are pressed into the line end via the screw mechanism. The tool is made of robust aluminum.
