

CONTEC Summer Glove "Tripster"

size XXL/11

RRP: €18.95

All easy for your next trip! The CONTEC Tripster offers everything that is important for short-fingered gloves on long bike tours: the palm is made of non-slip Amara mesh material, which is also pleasantly ventilated to ensure lasting contacts with the grips. The surface of the fabric is also pleasantly breathable and elastic for a perfect fit. The "pull-off" system Flaps also make it easy to take the gloves off for a break.
