

CONTEC Multifunction tool "TFR - Buster 9"

silver

Price: €12.50

Don't let them stop you! With our Tools for Ride we offer you practical tools for the road, with which you can confidently cope with annoying rattles and annoying breakdowns. The TFR-Buster 9 multitool offers you nine different tools to work on the most common screws, starting with the hexagon socket (2, 2.5, 3, 4, 5, 6, 8mm) to the star socket (T25, T30). With this compact stainless steel tool you can work precisely on your bike, from the stem bolts to the brake caliper, and fix breakdowns that would otherwise make you a pedestrian.
