

CONTEC Battery Bag "Battery.ProTect"

silver / black

RRP: €49.95

E-bike batteries are becoming more and more powerful with each model year. At the same time, the safety regulations for handling batteries are also becoming more extensive. Our Battery Bag Battery.Protect provides a remedy here, as the fireproof bag made of silicone-coated fiberglass fabric is the ideal storage place for Intube, Carrier and frame batteries from various manufacturers such as Bosch and Shimano. Batteries with a maximum circumference of 37 cm and a maximum length of 50 cm fit in the Bag. Battery.Protect has a roll-top closure with metal hooks and a padded neoprene inner sleeve to keep your e-bike battery protected at all times.
