

## CONTEC Battery Bag "Battery.ProTect"

silver / black

**Price: €24.99**

E-bike batteries are becoming more and more powerful with each model year. At the same time, the safety regulations for handling the batteries are also becoming more and more extensive. Our battery bag Battery.ProTect provides a remedy here, because the fireproof bag made of silicone-coated fiberglass fabric is the ideal storage place for Intube-, carrier and frame batteries from various manufacturers such as Bosch and Shimano. Batteries with a maximum circumference of 37cm and a maximum length of 50cm fit in the bag. Battery.ProTect has a rolltop closure with metal hooks and a padded inner sleeve made of neoprene, so that your e-bike battery is always protected.
