

CONTEC Helmet "Ruta MIPS"

riviera blue / black velvet, size S / M (54-58 cm)

RRP: €99.95

Off to adventure! Ruta MIPS accompanies you on your trips into nature or the next big city. The sporty trekking helmet is made from a combination of a lightweight in-mold micro-shell plastic construction with a thin EPS inner shell and is also equipped with the MIPS system. What is MIPS? MIPS technology allows the helmet shell to move relative to the head in the event of an angled impact. This protects your brain from rotational forces and serious injuries.With the magnetic Fidlock snap lock including padding, the Helmet can also be opened and closed with one hand, without the risk of getting caught. The integrated TriVider, an extra-wide strap divider, ensures a high level of comfort and individual adjustment. The straps made from recycled PET water bottles are reflective and offer added visibility. Thanks to the XY sizer (adjustment wheel) on the back of the helmets, the Ruta MIPS can be individually adjusted in height and width. The cooling padding inside the helmets has an anti-sweat effect and is washable and replaceable.Ruta MIPS is available in two sizes and three color variants. Each model has been painted with environmentally friendly, water-based paints.

Basic Data

Supplier Article Number:	S-321 MIPS 54-58 BLU
EAN	4251971141445
MSRP:	€99.95
Fedas-Code	160921
Bidex-Code	406030
SB-Article	Yes
DST-Code	3F04
