

VICTORIA Electric trekking bike "TRESALO 16" Mod. 24

wave, 28", bat black matt, 1x11-speed Sunrace RD-MX 600 MD, 52 cm / M

RRP €4,299.00

The Victoria TRESALO models with integrated PowerTube batteries are designed with a stable and stiff chassis and are therefore very suitable as long-distance tourers. The riding position is - as you would expect from a Victoria - more upright and comfort-oriented than overly sporty and stretched. The top model with derailleurs gears within the upper mid-range TRESALO series takes the subject of long distances seriously. It is therefore equipped with the Bosch Smart System combination of a high-torque "Performance CX" engine and "PowerTube 750". Additional information that the "Kiox 300" color display does not provide can be transmitted to your own smartphone via the eFlow Bike App and can be used ideally for navigation via other apps, for example. The 11-speed derailleurs gear system offers a gear range suitable for touring, so that you can cover the appropriate distance and the terrain can also be hilly. As a result, high-quality hydraulic Disc Brakes are a must, which here come from the Shimano MTBs range and impress with their stability.

Basic Data

| | |
|--------------------------|---------------|
| Supplier Article Number: | KHA23171 |
| EAN | 4251971109711 |
| MSRP: | €4,299.00 |
| WEEE registration number | DE92509320 |
| DST-Code | 1B01 |
| SB-Article | No |
| Bidex-Code | 122010 |
| Fedas-Code | 155021 |
| Brand/Supplier | VICTORIA |
| Unit of measure: | PIECE |
| Weight | 28.5 kg |

Technical Data

| | |
|--------------------|---------------------------|
