

VICTORIA Electric full suspension "PARCOURS 6" Mod. 24

wave, 27,5", dark night matt , 1x11-speed SHIMANO "Deore XT", 51 cm / L

Price: €4,750.00

The "PARCOURS 6" Cross-Over Pedelec is the premium bike in VICTORIA's 2022 ABC Award-winning series. Both urban areas, moderately rough terrain and direct cross-country sections can be comfortably mastered with the full-suspension model. The fresh two-tone design and minimalist brand lettering are in tune with the times when it comes to style. High-quality components and detailed gadgets make up the "premium" addition to this pedelec. This includes the Bosch Smart System, whose support levels are set via the Kiox 300 color display. Enhanced with the free eFlow app in VICTORIA design, the "PARCOURS 6" becomes a control center via a linked smartphone that navigates you, records activities and can connect to other apps and services. The sporty Bosch "Performance CX" mid-motor guarantees you full support with 85 Nm of torque. Even on steep uphill sections, it drives you forward at up to 25 km/h. It is powered by the Bosch PowerTube battery with 625 Wh, which is fully integrated into the frame and can be removed from the top. Alternatively, the Battery can of course also be charged while remaining in the bike. Comfort, which the brand stands for, also plays a major role on the PARCOURS. The air-sprung suspension and the 60 mm wide Schwalbe AI Grounder Overlander tires provide optimum grip even on unpaved roads. The 120 lux LED front headlight is also happy to extend the tour into the dark. A special highlight: the Front Light has a high beam function that can be activated at the touch of a button on the Handlebar, which further enhances visibility at night. Sturdy aluminum Fenders and the MIK system luggage rack are evidence of the premium concept. Reflective Stripes on the tires and the lights ensure roadworthiness. A full 120 lux at the front illuminates every dark corner, while the rear of the bike is equipped with a rear light including a stop light function for extra safety. This makes it easier for cyclists behind to react to spontaneous braking maneuvers, which are often unavoidable on tours.

Basic Data

Supplier Article Number:	KHA23234
EAN	4251971111004
MSRP:	€6,499.00
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	VICTORIA
Unit of measure:	PIECE
Weight	29.5 kg

Technical Data

Access height	42 mm
Battery capacity	625.0 Wh
Bosch Smart System	yes

Brake system	hydraulic disc brake
Chainstay	500 mm
Colour designation	dark night matt
Drive	chain
Drive system	BOSCH Performance Line CX
Drive version	middle motor
E-bike	yes
Engine power	250 W
Features	chain guard , electronic sliding aid , fender , suspension fork , system carrier
Frame height	51 cm
Frame shape	wave
Frame size	L
Frame travel	100 mm
Gears	11-speed
Gender	ladies
Main colour	blue
Material 1	aluminium
Model series	Parcours
Permissible system weight	140 kg
Reach	415 mm
Seat angle	73.0 °
Seat tube	510 mm
Secondary colour	black
Shifting name	1x11-Gang SHIMANO "Deore XT"
Shifting type	derailleur shifting
Stack	621 mm
Standover height	12 mm
Steering tube	160 mm
Steering tube angle	68.0 °
Support	up to 25km/h
Toptube	605 mm
Transmission	1x 11-speed
Travel	100 mm
Type	trekking bike
Wheel distance	1203 mm
Wheel size	27,5 "
