

VICTORIA Trekking bike "TREQANA 3" Mod. 24

wave, 28", ash grey, 8-speed SHIMANO "Nexus" freewheel, 56 cm / L

Price: €565.00

Comfort meets safety on the TREQANA 3. The trekking bike from Victoria bridges the gap between everyday and excursion bikes. Coaster or freewheel? Both. You can choose between a Shimano 8-speed coaster hub or an idle hub. You can easily change gears using the Twist Grip. The suspension Fork and ergonomic grips from Herrmans ensure comfort on the tour. The 47 mm wide tires provide additional cushioning. The parking light integrated into the rear lights also ensures greater visibility. The lighting is powered by a Hub Dynamo. This is located in the front wheel hub and can hardly be heard or felt during the ride. You can individually adjust the seating position on the TREQANA 3. Comfortably upright or leaning forward in a more sporty position - both are possible on the TREQANA 3 thanks to the adjustable Stem. A powerful Brake is immensely important both in the city and on tour. That's why we have equipped the TREQANA 3 with hydraulic Disc Brakes from Shimano. This brings you to a safe and quick stop at all times.

Basic Data

Supplier Article Number:	25026123
EAN	4251971113770
MSRP:	€799.00
Bidex-Code	102010
Fedas-Code	155011
SB-Article	No
DST-Code	1B00
Brand/Supplier	VICTORIA
Unit of measure:	PIECE
Weight	16.1 kg

Technical Data
