

## CONTEC Front Wheel "Exit Core 21"

29" Front Wheel

**Price: €49.99**

The Exit Core 21 29" Front Wheel is our all-round wheel for particularly high resistance to the big and small challenges on your daily routes. With a permissible load of up to 150 kg system weight, this wheel has enough reserves for a lot of luggage, heavy riders and heavy e-bikes. The Core front wheel hub with Centerlock brake disc mount and 15 mm Thru Axle has a tried-and-tested robust design for maximum low-maintenance. The hub is made from aluminum. 32 cranked 2 mm stainless steel spokes also guarantee a high load limit for maximum durability. The Exit Master rim 21 mm inner rim width is ideal for all common city, trekking and MTB tires with widths from 35 to 62 mm. All CONTEC wheels are assembled in our wheel factory in Hoya/Lower Saxony (Germany) by experienced specialists and perfectly centered using the latest technology.
