

NOXON Cross bike "Storm FG ND" Mod. 24

diamond, 28", black matt, 21-speed SHIMANO "TY300", 58 cm

Price: €355.00

For stormy tours on the dirt track and as a solid companion in everyday life: the "Storm FG ND" is probably the largest youth bike from NOXON. With 28" wheels, it rolls smoothly over obstacles and through potholes, while the 50 mm wide, well-damped tires and Suspension Fork provide excellent cushioning. With Fenders, the cross bike also has all the features you need for successful everyday cycling. For example, the practical complete equipment required by law: the lighting system with Hub Dynamo, LED Front Light and Rear Light including parking light function, all reflectors and reliable V-brakes front and rear. In order to continue to do justice to the sporty style, NOXON deliberately dispenses with a Carrier on the "Storm FG ND". However, this can be retrofitted in just a few handles / grips. The practical Fenders, on the other hand, are included from the outset, but can be easily removed if desired. Shifters are provided by Shimano 3x7-speed derailleur gears.

Basic Data

Supplier Article Number:	13030920-2301
EAN	4251507947589
MSRP:	€499.95
Bidex-Code	101030
SB-Article	No
Fedas-Code	155013
DST-Code	1F00
