

## EXCELSIOR Roller "Retro Scooter" Mod. 24

unisex, 12 1/2", light yellow,

**Price: €95.00**

The "Retro Scooter" from Excelsior is the perfect companion vehicle for the little ones - whether on the way to kindergarten, on walks or simply for whizzing around the neighborhood. With its 12" wheels, it offers more riding fun than most rollers and handles bumps with ease thanks to the inflatable balloon tires. The Fenders keep mud and splash water out, and with the rear Rim Brake, kids have everything under control.
