

QiO Electric compact bike "EINS AP-8R" Mod. 24

unisex, 20", lead metal, 8-speed SHIMANO "Nexus" freewheel, 48 cm

RRP: €3,799.00

The QiO "EINS AP-8R" is the sister model of the "EINS AP-8". It shines with an even higher level of low maintenance, as it is equipped with a Gates Straps in addition to the already almost maintenance-free hub gears. The "EINS AP-8R" is therefore ideal for simply getting on and riding off - whether on the way to work in the morning or if you want to go on a spontaneous tour.The Bosch "Active Line Plus" engine is always with you, always pushing you forward harmoniously up to 25 km/h. It draws its energy from the 545 Wh "PowerPack". Thanks to the convenient Seat Stay position, the Battery can be easily removed for charging and connected to the mains. The 8-speed Shimano "Nexus" hub gears are there for fine-tuning the drives and are also particularly low-maintenance.Back home safely in the evening thanks to the bright LED Front Light and Rear Light with stop light function, you can stow the "EINS AP-8" away just as easily as you got it ready for the descent in the morning. Thanks to the "Speedlifter Twist" function, the Stem can be rotated by 90° and the Pedals can be folded down - all to take up as little space as possible. The maximum rider weight is 120 kg.

Basic Data

Supplier Article Number:	01722176
EAN	4251971141995
MSRP:	€3,799.00
Fedas-Code	159021
DST-Code	1A01
WEEE registration number	DE92509320
SB-Article	No
Bidex-Code	123040
Brand/Supplier	QiO
Unit of measure:	PIECE
Weight	26.2 kg

Technical Data

Article type	Electric compact bike
Battery capacity	545.0 Wh
Bosch Smart System	yes
Brake system	hydraulic rim brake
Colour designation	lead metal
Drive	belt
Drive system	BOSCH Active Line Plus

Drive version	middle motor
E-bike	yes
Engine power	250 W
Features	chain guard , deep entry , electronic sliding aid , fender , system carrier
Frame height	48 cm
Frame shape	unisex
Gears	8-speed
Gender	unisex
Main colour	grey
Material	aluminium
Model range	EINS
Permissible system weight	180 kg
Shifting name	8-Gang SHIMANO "Nexus" Leerlauf
Shifting type	internal gear shifting
Support	up to 25km/h
Type	compact bike
Wheel size	20 "
