

QiO Electric compact bike "EINS P-5" Mod. 24

unisex, 20", imola red matt, 5-speed SHIMANO "Nexus" freewheel, 48 cm

Price: €2,970.00

Start your day with a relaxed ride to the bakery, through the fields or across the campsite on your QiO "EINS P-5" e-bike. The smart system from Bosch ensures a fully connected experience. The "EINS P-5" has optimally coordinated drive components: the Bosch "Performance Line" engine, a 545 Wh Battery and the "Intuvia 100" Display. The 5-speed Shimano "Nexus" hub gears and the low-maintenance Gates Straps transmit the power smoothly. With its small 20" wheels, the compact e-bike is maneuverable and ideal for narrow streets in the city. The suspended parallelogram seatpost offers comfort on cobblestones and is equipped with anti-theft protection. The compact design of the "EINS P-5" makes it easy to take with you - wherever you go. Whether in the car for a trip into the countryside or in the camper van for a big adventure. It is also indispensable for everyday use in the city. Thanks to the foldable Pedals and the rotating Handlebar, it fits into small niches and tight spaces. The combination of hub gears and Straps makes it virtually maintenance-free and ideal for commuters who just want to get going.

Basic Data

Supplier Article Number:	01722390
EAN	4251971142213
MSRP:	€4,199.00
Fedas-Code	159021
DST-Code	1A01
WEEE registration number	DE92509320
SB-Article	No
Bidex-Code	123040
Brand/Supplier	QiO
Unit of measure:	PIECE
Weight	26.5 kg
