

EXCELSIOR City bike "Touring ND" Mod. 24

tour sport, 26", red metallic, 1-speed coaster brake, 45 cm

Price: €310.00

Practical everyday companion A quick trip to the post office, the shops or a coffee date in the city center - the Excelsior "Touring ND" is made for such short trips through the city. With its usual upright riding position and all the practical accessories, it makes your hectic everyday life in the urban jungle much easier. When it comes to gears, you have the choice: the "Touring ND" is available either with the tried-and-tested 3-speed Shimano "Nexus" or as a purist singlespeed version with just one gear - in both cases with classic coaster. The 1-speed Hub is the right choice for those who like to move the bike a little faster and with direct feedback. The 3-speed version is better suited to the classic riding experience. To round off the package suitable for everyday use, a Carrier is of course a must. You can load it with up to 25 kg just like that or with suitable bags and baskets. In dark hours, you can rely on the high-quality 30 lux lighting from Contec, which is powered by the Hub Dynamo. Of course, parts such as Fenders, a Chain Guard and a Kickstand are included.

Basic Data

Supplier Article Number:	13420356-2301
EAN	4251507970280
MSRP:	€439.95
DST-Code	1A00
Bidex-Code	103010
