

EXCELSIOR Electric city bike "Pearl" Mod. 24

wave, 28", perlmut white, 8-speed SHIMANO "Nexus" idle disc, 55 cm

RRP: €3,199.95

E-bike or bicycle - that is the question here. The "Pearl" from Excelsior has such a slim silhouette that you could be forgiven for thinking it's an organic bike. The Battery is inconspicuously integrated into the down tube, almost unrecognizable. The Bosch "Active Line" mid-motor supports you up to 25 km/h, initially gently, later powerfully and quietly. You can choose between four support levels via the remote lever.The Shimano "Nexus" hub gears with eight gears ensure precise fine-tuning. The hydraulic Disc Brakes offer powerful and easily controllable braking power. With an upright riding position and equipment suitable for everyday use, the "Pearl" is your perfect companion for every day.

Basic Data

Supplier Article Number:	22082762
EAN	4251507996730
MSRP:	€3,199.95
DST-Code	1A01
WEEE registration number	DE92509320
Fedas-Code	157021
Bidex-Code	123010
SB-Article	No
Brand/Supplier	EXCELSIOR
Unit of measure:	PIECE
Weight	26.7 kg

Technical Data

Article type	Electric city bike
Battery capacity	500.0 Wh
Bosch Smart System	no
Brake system	hydraulic disc brake
Colour designation	perlmut white
Drive	chain
Drive system	BOSCH Active Line Plus
Drive version	middle motor
E-bike	yes
Engine power	250 W

Features	chain guard , electronic sliding aid , fender , frame lock , system carrier
Frame height	55 cm
Frame shape	wave
Gears	8-speed
Gender	ladies
Main colour	white
Material	aluminium
Model range	Pearl
Permissible system weight	140 kg
Shifting name	8-Gang SHIMANO "Nexus" Leerlauf Disc
Shifting type	internal gear shifting
Support	up to 25km/h
Type	city bike
Wheel size	28 "
