

bollé Helmet "Eco Avio Pure"

mineral black matte, size S (52-55cm)

RRP: €119.95

The Bollé "Eco Avio Pure" Helmet is a good choice for environmentally conscious cyclists looking for a racing helmet for long training sessions or short after-work laps. Made from recycled materials, this helmets offers a unique combination of safety and environmental friendliness.The Helmet is equipped with an Opti-Dock, which provides a secure Holder for glasses of all sizes. The in-mold shell construction ensures high durability combined with low weight, while the Performance Click-to-Fit system allows individual adjustment for maximum comfort - even for cyclists who wear a ponytail. The 16 ventilation openings ensure optimal air circulation and keep your head cool and dry even during intense activities.
