

Stan's Tubeless Kit "MTB"

33mm

Price: €21.24

Tubeless Conversion Kit from STAN'S Convert your wheels - with STAN'S. The tubeless manufacturer has a "Tubeless Kit" in its portfolio with which you can easily convert your standard MTB wheel sets to tubeless yourself. The bundle consists of a rim tape to seal the rims and two SV valves. The Rim Tape is available in different widths from 21 to 30 mm, whereby the tape should be about one to two millimeters wider than the rim width. STAN'S sealants can seal holes up to 6 mm and remain liquid in the tire for up to seven months. The milk works reliably even at extreme temperatures well below freezing.

Basic Data

Supplier Article Number:	AS0218
EAN	847746065548
MSRP:	€39.95
DST-Code	2A03
Bidex-Code	204090
SB-Article	Yes
Fedas-Code	160465
