unisex, mod.24

Ergonomics for athletesThe "Ellipse Athletic" from SELLE ROYAL is an ergonomically shaped saddle with a recess in the middle of the saddle to relieve pressure.The bike saddle also features 3D-Skingel, a three-dimensional gel structure that provides maximum comfort in the perineal area. In addition, the double-layer "Double Cover" material is applied to the sides. This makes the Saddle twice as resistant to bumps and scratches. Elastomers have also been added at the back for better shocks.In this "Athletic" version, the "Ellipse" is intended for a generally very sporty riding position with a spine angle of 30°.
