Price: €4,340.00

Our CONWAY RYVON ST 4.0 is your entry into our new E-Enduro series. It offers you a balanced combination of performance and comfort to make your off-road adventures unforgettable. With our reliable Light-E-MTB engine, you will experience smooth and controlled support that makes climbing easier and ensures a pleasant riding experience. The solid equipment of our entry-level model guarantees reliability and durability. Our practical battery cover technology allows you to conveniently place the battery cover on the top tube. The magnets parking position keeps it securely in place without complicated fastenings. We know how important flexibility is. That's why our E-MTBs allow you to use a 160 mm Suspension Fork without having to worry about changing the geometry. This allows you to adjust the suspension to your preferences while maintaining the stability of the bike. We want you to feel comfortable on your bike. That's why we offer CONWAY Ergonomic Sizing with grip diameters, stem lengths, handlebar widths and crank lengths tailored to your frame size. So you get a bike that is tailored exactly to you.
