

## CONWAY Electric SUV "Cairon C 2.0 500" Mod. 24

trapeze, 27,5", darkpetrol metallic / red, 9-speed TEKTRONIC "M350", 37 cm / XS

**RRP €3,299.95**

Whether you're touring through the countryside or across country, the "Cairon C 2.0 500" E-SUV bike is your companion. Our developers have recently given the sporty trekking bike a digital update. With the Bosch Smart System, the new "Cairon C 2.0 500" is fully networked and all drive components can communicate with each other. The 4th generation "Performance CX" provides a welcome tailwind. The Bosch "PowerTube" Battery is fully integrated in the down tube and supplies the sporty "Performance CX" mid-motor with plenty of energy - its capacity is 500 Wh. For hilly terrain, the Tektro derailleur system offers a solid range of gears. When riding downhill at speed, the hydraulic Disc Brakes respond reliably. They can be finely dosed, but can also be firmly applied. Schwalbe's "Smart Sam" shines with its all-round properties, which it can put to the test on varying terrain. With a width of 57 mm, it provides additional damping on bumpy trails, while the 120 mm Suspension Fork significantly increases riding comfort. The e-bike only becomes roadworthy with the right all-round equipment. This includes the Contec LED lighting system, which illuminates the way home with a solid 50 lux at the front. Fenders and a Carrier make the "Cairon C 2.0 500" fit for short errands through the city or for use as a commuter.

### Basic Data

<b>EAN</b>	4251971103719
<b>MSRP:</b>	€3,299.95
<b>WEEE registration number</b>	DE92509320
