

CONWAY Electric SUV "Cairon C 2.0 500" Mod. 24

diamond, 29", black metallic / red metallic, 9-speed TEKTRO "M350", 45 cm / M

Price: €1,549.95

Whether you're touring through the countryside or across country, the "Cairon C 2.0 500" E-SUV bike is your companion. Our developers have recently given the sporty trekking bike a digital update. With the Bosch Smart System, the new "Cairon C 2.0 500" is fully networked and all drive components can communicate with each other. The 4th generation "Performance CX" provides a welcome tailwind. The Bosch "PowerTube" Battery is fully integrated in the down tube and supplies the sporty "Performance CX" mid-motor with plenty of energy - its capacity is 500 Wh. For hilly terrain, the Tektro derailleur system offers a solid range of gears. When riding downhill at speed, the hydraulic Disc Brakes respond reliably. They can be finely dosed, but can also be firmly applied. Schwalbe's "Smart Sam" shines with its all-round properties, which it can put to the test on varying terrain. With a width of 57 mm, it provides additional damping on bumpy trails, while the 120 mm Suspension Fork significantly increases riding comfort. The e-bike only becomes roadworthy with the right all-round equipment. This includes the Contec LED lighting system, which illuminates the way home with a solid 50 lux at the front. Fenders and a Carrier make the "Cairon C 2.0 500" fit for short errands through the city or for use as a commuter.

Basic Data

Supplier Article Number:	22080202
EAN	4251507979030
MSRP:	€2,899.95
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	CONWAY
Unit of measure:	PIECE
Weight	25.9 kg

Technical Data

Battery capacity	500.0 Wh
Bosch Smart System	no
Brake system	hydraulic disc brake
Chainstay	460 mm
Colour designation	black metallic / red metallic
Drive	chain

Drive system	BOSCH Performance Line CX
Drive version	middle motor
E-bike	yes
Engine power	250 W
Features	electronic sliding aid , fender , suspension fork
Frame height	45 cm
Frame shape	diamond
Frame size	M
Gears	9-speed
Gender	gents
Main colour	black
Material 1	aluminium
Model series	Cairon
Permissible system weight	130 kg
Reach	419 mm
Seat angle	74.0 °
Seat tube	450 mm
Secondary colour	red
Shifting name	9-Gang TEKTRONIC "M350"
Shifting type	derailleur shifting
Stack	649 mm
Steering tube	120 mm
Steering tube angle	67.0 °
Stem length	75.0 mm
Support	up to 25km/h
Toptube	598 mm
Transmission	1x 9-speed
Travel	120 mm
Type	SUV
Wheel distance	1167 mm
Wheel size	29 "
