

CONWAY Electric MTB hardtail "Cairon S 2.0 500" Mod. 24

diamond, 29", shadowgrey metallic / desert matt, 9-speed TEKTRONIC "M350", 57 cm / XXL

RRP €3,099.95

The "Cairon S 2.0 500" takes you off-road in a balanced and sporty manner! The entry-level model in the MTB range starts the new model year with a technology update. The bike is now equipped with the Bosch Smart System and is therefore fully networked and compatible with the E-Bike Flow app. The Battery is fully integrated into the down tube, making the bike particularly slim and tidy. The 4th generation Bosch "Performance CX" mid-motor is powered by the 500 Wh Battery. The Tektro derailleur takes care of the finer details of the drives. If you accelerate hard, you also need to brake precisely: the hydraulic Disc Brakes with their 180 mm disc diameter do this extremely reliably. The e-hardtail is suitable for trails and touring with the RST Suspension Fork, which provides a lot of compensation with its 120 mm. With its large 29er wheels, the "Cairon S 2.0 500" has already laid the foundation for bumpy trails. In combination with the chunky tread of the Schwalbe "Tough Tom" tires, the bike is designed for trails.

Basic Data

EAN	4251971118621
MSRP:	€3,099.95
WEEE registration number	DE92509320
Fedas-Code	154020
Bidex-Code	121010
DST-Code	1E01
SB-Article	No
Brand/Supplier	CONWAY
Unit of measure:	PIECE
Weight	23.8 kg

Technical Data

Battery capacity	500.0 Wh
Bosch Smart System	yes
Brake system	hydraulic disc brake
Chainstay	455 mm
