

## CONWAY Electric MTB hardtail "Cairon S 2.0 625" Mod. 24

trapeze, 29", shadowgrey metallic / desert matt, 9-speed TEKTRONIC "M350", 49 cm / L

**Price: €2,084.95**

Off-road - balanced and sporty with the "Cairon S 2.0 625". The e-hardtail has a very clean look, as the Battery is fully integrated into the Frame. With 625 Wh, it supplies the Bosch "Performance CX" mid-motor with energy for extensive tours in the great outdoors. The Tektro derailleur takes care of the finer details of the drives. A new feature is the smart system from Bosch, which ensures complete digitalization of your bike. The drive system is compatible with the E-Bike Flow app, which provides you with all the information about your tour, battery status and maintenance intervals. The Tektro hydraulic Disc Brakes are there for precise braking. The e-hardtail is suitable for trails and touring with the RST Suspension Fork, which provides plenty of compensation with its 120 mm. With the large 29er wheels, the "Cairon S 2.0 625" has already laid the foundation for bumpy trails. In combination with the chunky tread of the Schwalbe "Tough Tom" tires, the bike is perfectly designed for dirt roads and easy trails.

### Basic Data

EAN	4251971118867
MSRP:	€3,299.95
WEEE registration number	DE92509320
Fedas-Code	154020
Bidex-Code	121010
DST-Code	1E01
SB-Article	No
Brand/Supplier	CONWAY
Unit of measure:	PIECE
Weight	24.3 kg
