

## CONWAY Electric MTB hardtail "Cairon S 4.0 " Mod. 24

trapeze, 29", shadowgrey metallic / red metallic, 12-speed SRAM "SX", 45 cm / M

**RRP €3,999.95**

What makes our new "Cairon S 4.0" so special? The proven construction of a robust aluminum frame with balanced geometry and a powerful engine remains the same. What is new, however, is the smart system from Bosch, which means your bike is completely digitally connected. This unique ecosystem includes the engine and Battery, the Display, the remote unit and the heart of the whole thing - the E-Bike Flow app. All of these components can communicate with each other and provide you with all of your tour information. The powerful Bosch Performance CX engine also drives you forward with its four support levels. In its fourth generation, as found here on the "Cairon S 4.0", it is one of the most powerful and sophisticated drives for MTBSs. We have upgraded the e-bike with the most powerful 750 Wh Battery. It sits completely in the down tube and also ensures a clean appearance. With its all-round qualities, the e-hardtail is at home on all MTBs tours that are not too extreme, with as much singletrack as you want. On tour, the bike scores points with its stable straight-line stability, the 120 mm travel of the RST Fork and the 60 mm wide "Tough Tom" Schwalbe tires. To keep the thrust in check, the "Cairon S 4.0" is equipped with Tektro hydraulic disc brakes, whose power can also be finely dosed on long descents. The disc diameter is 180 mm at the front and rear. Our developers have provided the frame of the "Cairon" series with many fine details that ensure a balanced and natural riding style. One more reason to extend all your tours beyond the usual horizon - with the "Cairon S 4.0".

### Basic Data

Supplier Article Number:	BK23HA1607
EAN	4251971117426
MSRP:	€3,999.95
WEEE registration number	DE92509320
Fedas-Code	154020
Bidex-Code	121010
DST-Code	1E01
SB-Article	No
Brand/Supplier	CONWAY
Unit of measure:	PIECE
Weight	23.9 kg

### Technical Data

Battery capacity	750.0 Wh
Bosch Smart System	yes
Brake system	hydraulic disc brake
Chainstay	455 mm
