

CONWAY Electric SUV "Cairon SUV FS 4.7" Mod. 24

wave, 27,5", black metallic / desert matt, 10-speed SHIMANO "Deore", 54 cm / XL

Price: €3,399.00

Smart thought, smart done: the "Cairon SUV FS 4.7" from CONWAY starts the new cycling season with a fully networked makeover. Equipped with the Bosch Smart System, all components can communicate with each other and keep you informed of all tour details. Once the E-Bike Flow app has been set up, it connects to your bike via Bluetooth and you're ready to go. The powerful Bosch "Performance CX" drive, which is powered by the high-capacity 625 Wh "PowerTube" battery, is joined on the "Cairon SUV FS 4.7" by complete frame suspension for even greater comfort. The look remains clean, as the Battery disappears completely into the down tube, where it can remain for charging. The fact that the E-SUV really proves itself on any terrain is demonstrated by the tires: the 60 mm wide "Johnny Watts" from Schwalbe have a robust tread pattern and cope well with forest paths and gravel tracks. Suspension Fork plus Damper with 120 mm travel not only cope with this terrain, they also ensure that you glide confidently through potholes and tree roots. Shifters are 10-speed Shimano "Deore". The "Cairon SUV FS 4.7" is suitable for touring thanks to the carrier fastenings, which can be used to attach panniers or baskets for short trips to the lake. Fenders and the LED Light make the bike fit for the way home through the city. The daylight-bright 80 lux Front Light illuminates the way safely. The rear lights impress with their stop light function. If the hydraulic Disc Brakes have to react spontaneously, cyclists behind can react better.

Basic Data

Supplier Article Number:	BK23HA1028
EAN	4251971118195
MSRP:	€4,699.95
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	CONWAY
Unit of measure:	PIECE
Weight	30.3 kg

Technical Data

Battery capacity	625.0 Wh
Bosch Smart System	yes
Brake system	hydraulic disc brake
Chainstay	500 mm
Colour designation	black metallic / desert matt
Drive	chain

Drive system	BOSCH Performance Line CX
Drive version	middle motor
E-bike	yes
Engine power	250 W
Features	damper , electronic sliding aid , fender , suspension fork
Frame height	54 cm
Frame shape	wave
Frame size	XL
Frame travel	100 mm
Gears	10-speed
Gender	ladies
Main colour	black
Material 1	aluminium
Model series	Cairon
Permissible system weight	140 kg
Reach	444 mm
Seat angle	73.0 °
Seat tube	540 mm
Secondary colour	beige
Shifting name	10-Gang SHIMANO "Deore"
Shifting type	derailleur shifting
Stack	653 mm
Steering tube	170 mm
Steering tube angle	68.0 °
Stem length	90.0 mm
Support	up to 25km/h
Toptube	640 mm
Transmission	1x 10-speed
Travel	120 mm
Type	SUV
Wheel distance	1237 mm
Wheel size	27,5 "
