trapeze, 28", shadowgrey metallic matt / black metallic matt, 9-speed TEKRO "M350", 41 cm / S

**RRP €3,999.95**

Trekking and touring - that's what the "T" stands for on the "Cairon T 3.0 750". The e-bike is optimally designed for versatile use on these tours, but also for everyday rides. The bike is fully networked thanks to the Bosch Smart System. It can be configured and provides you with all tour information, which you can read in the E-Bike Flow app or on the "Kiox 300" Display. The electric drive supports you at full power when pedaling up to 25 km/h, as the 4th generation "Performance CX" drive is the most powerful engine from Bosch. Its position on the bottom bracket gives the bike a decidedly natural ride. With 750 Wh, the Battery guarantees extensive riding fun. The Tektro derailleur gear system provides fine-tuning for propulsion. It shines above all with smooth and precise gear changes, but also with its durability. The bike is fully suitable for touring and urban use with the Fenders, the Axa Lock and a Kickstand. The Carrier accommodates all kinds of bags and baskets - whether you're carrying a change of clothes, a bottle of wine for a sundowner by the lake or just fresh fruit.
