

CONTEC Control Lever "Drop-A-Lever Connect"

for Magura MT series, Oneby version (Horizontal)

RRP: €29.95

The CONTEC Drop-A-Lever Connect is a control lever for mechanical dropper posts and can be attached directly to your bike's brake lever. This means you can reach the lever to adjust the height of your riding position more quickly and your handlebars look even tidier. A useful upgrade if you are already travelling with dropper seatposts such as the Nara Drop or Drop-A-Gogo.
