

CONTEC System Pedal "Slap LK"

black

RRP: €49.95

The CONTEC "Slap LK" system pedal with Look Keo system will delight ambitious road cyclists who value performance, reliability and compatibility. With its composite housing and robust CrMo axle, this pedal combines a lightweight construction with exceptional durability. The ability to customise the release hardness allows you to adjust the pedal binding to your personal preferences and needs.With a compact size of 85,5 x 86,4 mm and an impressively low weight of around 270 g for the pair, these pedals offer an optimal contact surface without unnecessarily increasing the overall weight of your road bike. The open construction is designed to effectively minimise dirt and mud build-up, making the pedals a reliable partner even in difficult conditions. The low-maintenance, sealed industrial bearings guarantee long-lasting and smooth operation, which significantly reduces the need for maintenance.Keo cleats are included in delivery, making these pedals practically ready for use.

Basic Data

Supplier Article Number:	VP-R77
EAN	4251971146563
MSRP:	€49.95
Bidex-Code	202320
SB-Article	Yes
Fedas-Code	160376
DST-Code	2N02
Brand/Supplier	CONTEC
Unit of measure:	PAIR
Weight	0.344 kg

Technical Data

Bearing type	sealed bearing
Design	system road
Housing material	Verbundwerkstoff
Main colour	black
System	on one side
Thread	9/16
Variant	Article
