black

**Price: €9.60**

The Rixen & Kaul Display Bracket "Display Mount Kiox" - the ideal solution for your Bosch Kiox Display. The KLICKfix mounting bridge is combined with the Handlebar Adapter and positions the Display centrally above the Adapter. This leaves enough space to click on a Bag or a Basket. The Bracket can be fixed at three heights and on both the right and left, which creates space for steep Display angles, cables or the Stem if required.
