

## RIXEN & KAUL Display Bracket "Display Mount Intuvia"

black

**Price: €9.60**

The Rixen & Kaul Display Bracket "Display Mount Intuvia" - the perfect solution for your Bosch Intuvia Display. The KLICKfix mounting bridge is combined with the Handlebar Adapter and positions the Display centrally above the Adapter. This leaves enough space to click on a Bag or a Basket. The Bracket can be fixed at three heights and on both the right and left, which creates space for steep Display angles, cables or the Stem if required.
