

## VICTORIA Electric SUV "Avyon 5" (#1)

wave, 27,5", river blue, ENVILOLO "HD" stepless, 51 cm / M

**RRP €4,899.00**

The "AVYON 5" is representative of Victoria's commitment to comfort. It is the only model in the "AVYON" series with hub gears and Straps. Comfort is also ensured by the air-sprung Suntour Fork with 100 mm travel and Thru Axles at the front and rear. The new "eRurban" SUV all-round tires from Continental, on the other hand, provide more tires thanks to the energy-saving tread. The higher shoulder lugs provide the necessary grip on damp meadows and loose surfaces. The smart Bosch "Performance CX" mid-motor provides support with a full 85 Nm of torque, the energy for which comes from the "PowerTube 750". The "AVYON 5" is particularly low-maintenance because it is equipped with a Gates CDX Straps instead of a chain. The polyurethane and carbon fiber material mix makes it weather-resistant and strong. The automatic and continuously variable Enviolo internal gear hubs complete the low-maintenance equipment. Curana Fenders, a MIK Carrier and the "bun lock" round off the features of this comfort all-rounder. Reflective Stripes on the tires and the lights ensure roadworthiness. At the front, a powerful 80 lux lights your way home. At the rear, the bike is equipped with a rear light plus stop light function for extra safety. This makes it easier for cyclists behind to react to spontaneous braking maneuvers, which are often unavoidable in city traffic.

### Basic Data

Supplier Article Number:	KHA250464
EAN	4251971151505
MSRP:	€4,899.00
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	VICTORIA
Unit of measure:	PIECE
Weight	30.1 kg

### Technical Data
