

VICTORIA Electric SUV "Avyon 6" (#1)

diamond, 27,5", squirrel orange, 1x10-speed SHIMANO "Deore", 48 cm / S

RRP €4,299.00

The "AVYON 6", which features the smart Bosch "Performance CX" / "PowerTube 750" combination and the "Kiox 300" color display, is probably the best compromise between state-of-the-art drive technology and sensible equipment. The connectivity of the eFlow app also provides you with a variety of other features, such as help with tour selection or navigating to your destination (Strava or Komoot app required separately). On the suspension side, all "AVYON" models are equipped with the new Bosch drives, air suspension fork and stable Thru Axles at the front and rear, which can be experienced directly from the first few meters in the form of a very safe riding experience. All "AVYON" models come to a safe stop with 203/180 mm hydraulic Disc Brakes. In the case of the "AVYON 6", this even includes a sturdy four-piston brake system at the front. As derailleurs gears are often used on SUV bikes due to the generally wider gear range, the "AVYON 6" uses the Shimano "Deore" to change the 11 gears. These come from the Shimano "Deore" groupset, whose rear derailleurs, cassette and chains correspond to the Linkglide version and are significantly more wear-resistant. The new "eRuban" SUV all-round tires from Continental in turn provide more tires thanks to the energy-saving tread. The higher shoulder lugs provide the necessary grip on damp meadows and loose surfaces. The "AVYON 6" is available in two Frame versions and three paints. As with all new Victoria developments, the Bosch "PowerTube 750" batteries integrated in the down tube can be removed upwards, which is much more convenient than downwards. However, in view of the large capacity and the associated battery weight, we recommend charging directly on the bike, if possible.

Basic Data

EAN	4251971151581
MSRP:	€4,299.00
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	VICTORIA
Unit of measure:	PIECE
Weight	29.6 kg

Technical Data

Battery capacity	750.0 Wh
Bosch Smart System	yes
Brake system	hydraulic disc brake
Chainstay	467 mm
Child Seat Approval	no

Colour designation	squirrel orange
Drive	chain
Drive system	BOSCH Performance Line CX
Drive version	middle motor
E-bike	yes
Engine power	250 W
Features	chain guard , electronic sliding aid , fender , suspension fork , system carrier
Frame height	48 cm
Frame shape	diamond
Frame size	S
Gears	10-speed
Gender	gents
Main colour	orange
Material 1	aluminium
Model range	Avyon
Permissible system weight	140 kg
Reach	410 mm
Seat angle	73.0 °
Seat tube	480 mm
Secondary colour	black
Shifting name	1x10-Gang SHIMANO "Deore"
Shifting type	derailleur shifting
Stack	650 mm
Standover height	811 mm
Steering tube	150 mm
Steering tube angle	69.0 °
Support	up to 25km/h
Toptube	612 mm
Trailer Approval	no
Transmission	1x 10-speed
Travel	100 mm
Type	SUV
Wheel distance	1155 mm
Wheel size	27,5 "
