

## VICTORIA Electric SUV "Avyon 6" (#1)

wave, 27,5", squirrel orange, 1x10-speed SHIMANO "Deore", 46 cm / S

**RRP €4,299.00**

The "AVYON 6", which features the smart Bosch "Performance CX" / "PowerTube 750" combination and the "Kiox 300" color display, is probably the best compromise between state-of-the-art drive technology and sensible equipment. The connectivity of the eFlow app also provides you with a variety of other features, such as help with tour selection or navigating to your destination (Strava or Komoot app required separately). On the suspension side, all "AVYON" models are equipped with the new Bosch drives, air suspension fork and stable Thru Axles at the front and rear, which can be experienced directly from the first few meters in the form of a very safe riding experience. All "AVYON" models come to a safe stop with 203/180 mm hydraulic Disc Brakes. In the case of the "AVYON 6", this even includes a sturdy four-piston brake system at the front. As derailleurs gears are often used on SUV bikes due to the generally wider gear range, the "AVYON 6" uses the Shimano "Deore" to change the 11 gears. These come from the Shimano "Deore" groupset, whose rear derailleurs, cassette and chains correspond to the Linkglide version and are significantly more wear-resistant. The new "eRuban" SUV all-round tires from Continental in turn provide more tires thanks to the energy-saving tread. The higher shoulder lugs provide the necessary grip on damp meadows and loose surfaces. The "AVYON 6" is available in two Frame versions and three paints. As with all new Victoria developments, the Bosch "PowerTube 750" batteries integrated in the down tube can be removed upwards, which is much more convenient than downwards. However, in view of the large capacity and the associated battery weight, we recommend charging directly on the bike, if possible.

### Basic Data

<b>EAN</b>	4251971151611
<b>MSRP:</b>	€4,299.00
<b>WEEE registration number</b>	DE92509320
<b>DST-Code</b>	1B01
<b>SB-Article</b>	No
<b>Bidex-Code</b>	122010
<b>Fedas-Code</b>	155021
