

VICTORIA Electric SUV "AVYON 10" (#1)

wave, 27,5", anthracite grey matt, 1x11-speed SHIMANO "Cues", 46 cm / S

RRP: €4,499.00

Based on the AVYON 12, the "AVYON 10" differs only in its anti-lock braking system—which is not specified here—and its suspension Seatpost, which cannot be lowered. Otherwise, it is technically identical to the top-of-the-line model.The Bosch Smart System combination—featuring the Performance CX drive, PowerTube 750, and Kiox 300 color display—represents the drive manufacturer's current state-of-the-art technology and is therefore a perfect fit for our premium overlander.Added to this is the eFlow app, which pairs easily with the Bosch Smart System and offers a wide array of additional features. These include, among other things, access to navigation services from Strava or Komoot. Riders switching to the Smart System—and current users alike—will be thrilled by the new possibilities, as the bike doesn't just want to be ridden—it now literally invites you to ride it.The "AVYON 10" is also available in two frame versions. As with all new VICTORIA models, the integrated batteries are removed from the top for charging. This means there's no risk of the battery falling out if handled improperly. However, given the large capacity and the resulting weight of the battery, we recommend charging it directly on the bike whenever possible, whether at home or on the go.

Basic Data

Supplier Article Number:	KHA250543
EAN	4251971151734
MSRP:	€4,499.00
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	VICTORIA
Unit of measure:	PIECE
Weight	29.4 kg

Technical Data

Battery capacity	750.0 Wh
Bosch Smart System	yes
Brake system	hydraulic disc brake
Child Seat Approval	no
Colour designation	anthracite grey matt
Drive	chain

Drive system	BOSCH Performance Line CX
Drive version	middle motor
E-bike	yes
Engine power	250 W
Features	chain guard , electronic sliding aid , fender , suspension fork , system carrier
Frame height	46 cm
Frame shape	wave
Frame size	S
Gears	11-speed
Gender	ladies
Main colour	grey
Material	aluminium
Model range	Avyon
Permissible system weight	140 kg
Secondary colour	black
Shifting name	1x11-Gang SHIMANO "Cues"
Shifting type	derailleur shifting
Support	up to 25km/h
Torque	85 Nm
Trailer Approval	no
Transmission	1x 11-speed
Travel	100 mm
Type	SUV
Wheel size	27,5 "

Specifications
